Beware 'workshop' manuals offered on eBay on CD, they are in the main incomplete. Actual workshop manuals for D.B tractors were only supplied to the dealers/fitters and not to the tractor owner, your best option are the I&T manuals, there are 3, one covers Implematic models up to and including the Selectamatic 1200, the next one covers all those and up to 1412 and the 3rd covers the v90/94 series.
