The definitive home reference for people who want a reliable guide to understanding and using homeopathic remedies.

Profiles the top 320 homeopathic remedies for everything from asthma to infertility, providing self-help tips and treatment procedures for serious ailments and minor health problems.

A richly illustrated guide to homeopathy profiles the top 320 remedies for everything from asthma to infertility, providing self-help tips and treatment procedures for serious ailments and minor health problems alike.

Alphabetically organized for easy access, this comprehensive, authoritative resource furnishes a host of gentle, all-natural home remedies for a broad spectrum of common ailments, describing each therapeutic option, its history, the principles behind the remedy, dosages, precautions, and applications. Original.

A Homeopathic Handbook of Natural Remedies offers the most succinct and up-to-date information available on homeopathy, a method of healing that works by stimulating the body's natural defenses. Laura Josephson provides an overview of the healing principles and history of homeopathy, clear guidelines for identifying and treating symptoms, and instructions for preparing and stocking your home kit. In addition to homeopathic first aid treatment for such ailments as back pain, puncture wounds, eye injuries, fractures, and insect bites, the book outlines remedies for a wide range of everyday complaints, including allergies, coughs, colds, flu, fevers, digestive problems, headaches, PMS, earaches, insomnia, jet lag, and more. A separate section deals specifically with childhood conditions. Also included is an extensive resource directory of homeopathic pharmacies and a list of articles and other publications that provide further information.

This comprehensive encyclopedia brings together flower essences gathered from all corners of the globe, from Hawaii and the Himalayas to America and the Australian Bush. It explains what flower remedies are, how they work and how to choose the right remedies for your clients' needs. The properties of 33 families of flower essences and the benefits of over 2,000 remedies, combinations, mists and creams are described. An easy-to-use ailment chart pinpoints remedies for a wide range of physical and psychological conditions, from stress to hormonal imbalance and from allergy to depression. The author provides instructions for prescribing, preparing and using flower remedies alongside illustrative patient case studies. This will be the definitive handbook for practitioners, therapists and students of complementary and alternative therapies working with flower essences and will be valuable reading for those wanting to learn more about how they can use flower essences in their practice.

The Complete Guide to Homeopathy reveals the key principles of homeopathy, including the way we are categorized into "constitutional" types according to our physical and emotional characteristics. Self-assessment Questionnaire: A specially designed questionnaire, based on what a homeopath might ask during a first office visit, provides unique insight into the link between health and temperament and helps determine which constitutional type you most closely match. Index of Remedies: A photographic index of 150 remedies illustrates plant, mineral, and animal sources, ranging from common foods such as honey to toxic substances such as snake venom. A profile of each remedy gives its historical background, medicinal uses, and its corresponding constitutional type. Treating Common Ailments: Easy-to-use ailment charts show which remedies to take for everyday health problems such as insomnia, anxiety, eczema, and toothaches. Additional self-help treatments are recommended, and there is a quick-reference guide to homeopathic first aid.

For the first time ever, glossaries of comprehensive symptoms and homeopathic remedies collected in one volume. This definitive guide is really two books in one: an introduction to the study and practice of homeopathy and a detailed reference book of symptoms and remedies. Vinton McCabe, a longtime educator of homeopathy practitioners and laypersons, begins with a brief history of the art and discusses the underlying philosophy of homeopathy as contrasted with conventional medicine. The bulk of the book is made up of well-organized, accessible sections covering such topics as symptoms for use in diagnosis, corrective measures for emergencies and/or easily diagnosed complaints, and a detailed listing of sixty homeopathic remedies and their uses. Practical Homeopathy will appeal to newcomers to homeopathy as well as to enthusiasts.

Natural solutions for a healthy, happy lifestyle As Canadians have become more health-conscious than ever, more and more people want alternative solutions to health problems rather than conventional medical practices and drugs. For many, a natural approach to healing common ailments and serious health issues alike is preferable to invasive procedures and prescription drugs with their numerous side effects. Sherry Torkos, one of Canada's leading pharmacists, is renowned for her expansive knowledge of natural treatments. In this new edition of The Canadian Encyclopedia of Natural Medicine, Torkos provides a definitive and up-to-date resource that includes natural treatments for everything from bug bites to muscle aches, osteoporosis to diabetes. It includes a wide range of ailments and diseases, the latest information on the natural treatments that work best, and any potential negative interactions between natural cures and prescribed medications. Handy A-to-Z format makes finding an ailment or condition quick and easy Heavily revised to include the very latest research and treatments, new health guidelines, new cancer prevention strategies, and the most up-to-date statistics and facts Written by a renowned holistic pharmacist, fitness instructor, and lecturer For anyone who wants to create a personalized holistic health program for themselves or their family, The Canadian Encyclopedia of Natural Medicine, Second Edition is a reliable and comprehensive resource.

Based on the ancient healing tradition from India that dates back thousands of years, The Complete Book of Ayurvedic Home Remedies offers natural alternatives to conventional medicines and treatments with practical advice and easy-to-follow instructions. Dr. Vasant Lad, a leading authority in this field, has created an invaluable guide to treating common ailments and chronic problems with strategies tailored to your personal needs based on your dosha. Dr. Lad first explains the principles behind the science of Ayurveda, exploring the physical and psychological characteristics of each of the three doshas, or mind-body types—vata, pitta, and kapha. Once you have determined which type or combination of types you are, Dr. Lad helps you to begin your journey to the ultimate "state of balance" and well-being. Dr. Lad explains why certain imbalances often result in illness and shows you how to restore your body to natural order. You'll learn which traditional Ayurvedic remedies—herbal teas and formulas, essential oils, meditation, yoga—offer relief from a variety of conditions, such as cold and flu symptoms, headaches, toothaches, sore throats, high cholesterol, vision problems, anxiety, and depression. Dr. Lad also shows you how to use diet and specific Ayurvedic techniques to prevent future illness and to promote body consciousness and healthy living. The Complete Book of Ayurvedic Home Remedies enables us all to experience the benefits of Ayurveda's healing properties that have been refined over thousands of years. All of the herbs, foods, and oils Dr. Lad recommends can be found in local health food stores or through mail-order catalogs. Complete with an extensive glossary and resource list, this is the definitive guide to natural, safe, and effective remedies, everyday keys to a lifetime of vitality and well-being.
