The Black Swan, Fooled By Randomness, and Antifragile are must reads for anyone exposed to the randomness embedded in our experience of the world. I would recommend reading Sancho Panza (Proverbs) over The Bed of Procrustes - but the point of the actual story of the bed of Procrustes makes an excellent beginning to the series Incerto.

With the meltdown in the world financial system I felt drawn to reading Taleb's Fooled by Randomness written before the meltdown but in a way predicting it. His main idea is that probability is not mere computation of the odds - it is the acceptance of the lack of certainty in our knowledge and developing methods for dealing with our ignorance.
