The Day Celebrate The  
Seize The Day are an English  
acoustic band in the radical folk  
tradition, but drawing on global  
musical roots. We write songs to  
celebrate, inspire and support the  
liberation of life. Whatever needs  
to change or be defended in this  
world, we sing to make you laugh  
about it, cry about it, dance about  
it – maybe even inspire you to  
believe that you can DO something  
about it!

I've come to believe that the secret to a life well lived in the middle isn't about trying to seize the day. It's about being sure you actually see each day — even if just out of the corner of one eye. Because the middle is worth remembering while you are actually living it because you won't pass by this way again.

To seize the day means to find joy in the small moments, just as much as it is to enable celebration of special days even when it is not the actual date. You become better at the work away relationship on/off-balance if you allow yourself to not over-plan, or expect too much from too few days.
